

Telefono de
linea

```
graph TD; A[Telefono de linea] --> B[Tiene telefono de linea]; B --> C[Si]; A --> D[No tiene telefono de linea]; D --> E[No];
```

This flowchart starts with a box labeled 'Telefono de linea'. A line descends from the bottom of this box and splits into two arrows. The left arrow points to a box labeled 'Tiene telefono de linea', which then has an arrow pointing down to a box labeled 'Si'. The right arrow points to a box labeled 'No tiene telefono de linea', which then has an arrow pointing down to a box labeled 'No'.

Tiene
telefono de
linea

Si

No tiene
telefono de
linea

No
